

Data Reports

There are a variety of reports that the Texas Education Agency creates that are public record. These can help families learn more about their school districts and schools.

[Accountability Ratings](#) (formerly called Academic Excellence Indicator System)

[Data Report Page](#)

[Discipline Data Reports](#)

[Performance Based Monitoring Reports](#) (PBMAS) – Learn more about how students with disabilities are doing with testing, discipline and least restrictive environment (by district, region, state)

[Special Education Reports](#) - Report of number of students receiving special ed. services by disability category

[State Performance Plan](#)

[Standard Reports](#)
